

REGISTRATION OF BRITISH CITIZENS

You are advised on arrival to register with the Embassy or Consulate, to **RE REGISTER** every December/January and to keep them informed of any change in any of your details. If the Embassy, Consulate-General at Jeddah or our office in Al Khobar is unaware of your whereabouts they are not well placed to help you. If you fail to re-register we may assume you have left the Kingdom and delete your name from our files.

Please contact the Registration Clerk at the relevant office in the area that you are resident.
